PRESS RELEASE

For Immediate Release

Expression of Interest for Training in Renewable Energy

The General Public is hereby advised that the Clarence Fitzroy Bryant College (CFBC) is collaborating with Green Solutions International (GSI) to establish a Caribbean Center for Research, Innovation, and Workforce Training.

A significant component of this project is a train-the-trainers workshop (***free of cost***) scheduled for February 26 to April 12, 2024. The **six-week training workshop in Solar PV installation** will consist of a series of online modules and a face-to-face, hands-on, practical component. Upon successfully completing the training, participants will receive a NABCEP certificate of achievement and a letter of recommendation.

Persons interested in participating in the train-the-trainers workshop are asked to indicate their interest, by completing and submitting the training application form, no later than ***Wednesday, February 21, 2024***. Limited seats are available for this training, so interested persons are encouraged to apply as soon as possible.

Please note that a copy of your CV and relevant certificates) MUST be submitted with your Application Form.

The Application Form which is available on the CFBC website (<https://cfbc.edu.kn/>) can be completed online. Persons wishing to download and complete the form should submit their completed application and supporting document(s) to criwt@cfbc.edu.kn
