Request for quotations for a Hard Rock Cuber/Impact crusher

The Quarry Division of the Public Works Department is seeking quotations for the cost to procure a Hard Rock Cuber/Impact Crusher to outfit the public quarry at Canada Estate.

1. Parameters:

- The Hardrock Cuber/Impact crusher is to be used for secondary crushing and mated to a primary crusher with a throughput capacity of 120-250 tons of material per hour.
- The total cost must include original cost as well as insurance and shipping (CIF).
- The machine must be a stationary, electrically driven outfit with spare parts readily accessible for purchase.
- A warranty of at least one (1) year must be included in the accepted quotation.

2. Evaluation and acceptance:

- Quotations will only be accepted from established businesses with proof of registration and a track record of supplying/sales of large equipment.
- Quotations will be evaluated by senior personnel from the Ministry of Public Works with recommendations to be submitted to the Procurement Board.
- Quotations must be submitted by March 22nd, 2024.

3. Quotations must include the following:

- a. Technical specifications of the machine including capacity and throughput amount, input feed sizes, power and dimension of the machine.
- b. Total costs and payment terms and conditions.
- c. Shipment timeline from purchase to landing at the cargo port Basseterre.
- d. Company background and eligibility to participate in this quotation.
- e. Vendors must be able to hold the price for at least three (3) months pending purchase evaluations by the procurement board.

Please submit all quotations to the Ministry of Public Works, attention Public Works Department, Quarry Division via email to secretary.adminpwd@gov.kn or to Jermaine.lake@gov.kn or by hardcopy to Mr. George Gilbert, Director of Public Works or Mr. Jermaine Lake, Quarry Manager no later than **March 30th 2024**.

Winning bidders will be notified thereafter.
